

# According to St. Paul

by Nancy

*Love is patient*

His timid revelation  
Unplanned  
Unintended  
Thrills hope

*Love believes all*

His sad retreat  
Pained  
Desperate  
Inspires resolve

*Love bears all*

I trust Love  
Real  
Eternal  
Worth everything

*Love is patient*

*for H  
fall 2020*
